

Keynotes & Workshops

Topics & Series

Popular Topics

- ❖ **Dare to be You! Uniquely, Magnificently, Beautifully and Imperfectly You:** Growing, learning, performing, connecting and nurturing for strength and life. Become an Iron Orchid Leader.
- ❖ **Moving from “I” to “We”** No one does it alone. Expand your ability to listen, be seen, collaborate and build relationships with your boss, peers, subordinates and mentors. Understand strategic objectives and how to provide real value.
- ❖ **Defining Success; Creating a Meaningful Life & Career:** Create your personal GPS to stay on point, realize your vision for life & career, and create practices to be at your best more of the time.
- ❖ **Accelerating Career Velocity:** Understand your primary value proposition and know your personal brand. Create a plan to achieve your personal best and become a linchpin for success.
- ❖ **Leadership Presence:** Develop the capacity to inspire confidence, engage with others, and remain calm and clear even when things seem to be unraveling all around you.
- ❖ **Gender Intelligence:** beyond stereotypes and silence, a powerful application of strength-based leadership.
