

What is CAA?

Cheryl Alexander & Associates Back-Story

Cheryl Alexander & Associates

Cheryl Alexander & Associates is a partnership of extraordinary coaches bringing life to outstanding people & organizations. We've become known as the go-to authority for launching top performing women and men...leaders of diverse background, into executive positions.

Our focus is on creating effective, perceptive, articulate and highly competent leaders that thrive in today's challenging corporate arena. We are about embracing diversity, transforming potential into reality and actualizing personal and professional fulfillment.

Today's work environment demands strong and effective leaders. Today there is more work with fewer people to accomplish it. A workplace fraught with increased pressure and stress has created a growing population of disengaged employees in the workforce. Strong, effective and mindful leadership is no longer a wish, it have become a necessity!

The CAA team, all leaders in their own right, inspire and stimulate the best in everyone. If you are looking for a full and meaningful life and career or a way to develop an authentic effective leadership presence you need look no further.

Cheryl Alexander & Associates is hired for...

- ❖ Coaching, Consulting, and the way to successful management
 - ❖ Leadership Development and Peer Mentoring programs
 - ❖ Executive Women's Roundtables
 - ❖ Making Person Centered Care a part of the culture
 - ❖ Keynotes & Workshops
- ...and much much more.

We are the pre-eminent coaching, leadership and mentoring consultancy. We will deliver strong, powerful and trusting relationships. We build the type of leaders today's workplace is crying for.

Together we will forge the future in which we all thrive and prosper. Join us today in "the leadership movement.
