Cheryl Alexander & Associates

Leaders Engaging Hearts and Minds

*“Genuine, global, energizing catalyst and champion who helps you achieve the life, career, and work environment you crave.”*

## Career Background

Sulistyoy strategizes, designs, conducts and manages customized leadership and career development programs for individuals and groups, that are onsite or virtual, with local and global participants representing diverse organizational levels, functional roles and backgrounds.

President of leadership development strategy company Cheryl Alexander & Associates (CAA), Tami’s mission is to inspire the leader within. She is passionate about the advancement of women and global leaders. Sulistyoy equips people and teams with the tools and strategies to be at their best, achieving maximum effectiveness while building engagement, retention and a leadership pipeline. Tami is known for rapidly building rapport, motivating people to be positive and optimistic, standing in their strengths as authentic leaders.

An embracing, encouraging champion of people and ideas, Tami strives to create sustainable communities of deeply connected professionals who serve as each other’s board of advisors, thriving together while meeting and surpassing goals. Sulistyoy has worked and lived in Indonesia, Singapore, Germany, China, Hong Kong and France. She speaks the basics of six languages.
